Tasting Notes:

Dark briary fruit of mulberry, white pepper, cigar box, ripe strawberry, grilled steak, spicy, cherry tobacco, sage, and plum lead to an extractive fleshy structure with firm tannin and a balanced long lingering finish.

Winemakers Notes:

Grown on steep mountainous terrain in the higher elevations of the Shenandoah Valley of Amador County, California. There was a big fire starting just before harvest began lasting into mid harvest (Caldor Fire). It started 10 miles northeast of us and burned in the opposite direction. So, all our 2021 wines escaped having any smoke taint. Lower yields of extractive fruit due to drought. No heat spikes during the growing season. Just a dry year with little moisture in the ground. Look for dark colored extractive wines, but not a lot of them.

Vintage Notes:

Amador County is extremely well suited to Zinfandel. Zinfandel has been grown in the Amador County Gold Rush area for over 150 years. These old head pruned dryland farmed vineyards produce low yields of extractive flavorful Zinfandel

Aging Potential: 10-12 Years
